I have served on the GLBS Board of Directors for the past two years as the Membership Chair, in addition have completed many other needed tasks and assignments, representing the Great Lakes Blues Society that benefit this organization.

I would like to continue with this group and watch this society grow and develop.

I have been a member of the Great Lakes Blues Society since 2008, but a blues music fan for many years.

Please consider me to be a part of your Board of Directors again this upcoming year.

## **Earle Taylor**

Having served on the GLBS board for the past many years and the last 2 years as treasurer, I would like to continue as a director to help ensure the stability of the Society for the future.

My background includes: 10 years as entertainment programmer for McGill University; 6 years as the operating partner of Kiplings Nightclub; and a year as manager of Yuk Yuks London.

Currently I serve as executive director of the Canadian Organization of Campus Activities which promotes live entertainment of all kinds on Canadian college and university campuses.

## **Paul Breau**

I as a founding member of the Great Lakes Blues Society, have served on the Board of Directors for 10 continuous years. In that time, I have witnessed many changes within our society, from its fledgling state as a new organization, to its present form. I have been witness to new members and board members both joining and leaving our ever-evolving group.

My duties over the years have mainly been in the aspect of production director/stage manager for the many wonderful shows that we have put on over the 12 years I have been a member. I have had the pleasure of working with some amazingly talented people, and becoming good friends with other like-minded blues lovers.

I have been a strong supporter and active participant of our two major programs, which partially fill our mandate of promotion and education, grow into the entity they now are, namely our Blues in the Schools program, and our Road to Memphis program, for which we were recognized and honoured with a Jack Richardson Music Award in 2015

The previous year has seen me step up into the role of Vice Chair and take on the Chair of the BITS program, which I am happy to say is forging ahead as strong as ever.

Should the membership see fit to return me to office, my promise is to continue serving the Great Lakes Blues Society, to help it grow, to continue to support live blues music and the venues that support it, to help educate our youth on the roots of blues music, and during that time, enjoy some of the greatest music on the face of the planet.

May The Blues Be With You

Paul Breau
